PETITION UNDER 37 C.F.R. § 137(a) TO REVIVE AN UNAVOIDABLY ABANDONED APPLICATION

Box DAC
Commissioner for Patents and Trademarks
Washington, D.C. 20231

RECEIVED

OCT 23 2002

OFFICE OF PETITIONS

Sir:

In response to the Notice of Abandonment Under 37 CFR 1.53(f) or (g) (copy enclosed) mailed September 18, 2002, applicant respectfully petitions the Commissioner under 37 CFR 1.137(a) to revive this application on the grounds of **UNAVOIDABLE DELAY**.

REMARKS

Applicants were recently advised pursuant to the enclosed Notice of Abandonment mailed September 18, 2002, that the above-identified application was abandoned for failure to timely reply to the Notice to File Missing Parts mailed July 31, 2000. Because a Response to the Notice to File Missing Parts was, in fact, timely filed, it is submitted that this Petition to Revive on grounds of Unavoidable Delay should be granted.

In support of this Petition, the following showing and copies of previously filed documents are submitted.

A timely Response to the Notice to File Missing Parts of Nonprovisional Application dated July 31, 2000, was deposited in First Class Mail on October 2, 2000. A copy of the Response, which included the following documents, is attached as Exhibit A:

Response To Notice To File Missing Parts (Transmittal)

A copy of the Notice to File Missing Parts;

Executed declaration/power of attorney;

Assignment with recordation form cover sheet;

Check for \$170 to cover the \$130 surcharge and \$40 assignment recordation fee; and

Return postcard.

The Response and documents were receive by the Office on October 6, 2000, as shown by the Office Mail Room date stamp on the copy of the return postcard attached as Exhibit B.

Upon receiving the return postcard, it was discovered that the Response to Notice to File Missing Parts transmittal, the Postcard, and the Assignment all indicated the incorrect serial number of this application. (However, the correct serial number was indicated on the return copy of the Notice to File Missing Parts.) These documents bore the incorrect serial number 09/557,209. The correct serial number is 09/577,209.

Upon discovering the error, the undersigned faxed to the Office on October 17, 2000, a request for Correction of U.S. Serial No. and copies of the previously filed Response and attached documents. Copies are attached as Exhibit C. As shown, the fax and Correction requested that the serial number on the previously filed documents be corrected.

These attached Exhibits and documents show that a Response to the Notice to File Missing Parts was, in fact, timely filed. Apparently, the Office failed to correct the serial number as requested. Accordingly, it is respectfully requested that the Commissioner

grant this Petition to Revive this application on the grounds of unavoidable delay, and further afford an early examination of this application.

In the event an extension of time is necessary, please consider this paper as a Petition for Extension of Time for the appropriate time.

The \$110 fee applicable to a large entity due for this Petition, as well as any other fees which may be due, may be charged to deposit account number 07-1896.

Respectfully submitted,
